Re: Public Records Act Request of February 26, 2013

Mr. Dayton:

This letter follows our March 7th letter with regards to your February 26th request for two documents, seeking the project labor agreement for the Carson Ice-Gen Plant (1993) and the project labor agreement for the Campbell Soup Cogeneration Plant (1996).

SMUD, as a "local agency", is subject to the California Public Records Act (Gov. Code, §§ 6250, *et seq.*) and may disclose public information upon request subject to enumerated limitations.

After a diligent search, it has been determined that SMUD has no records responsive to your request.

If you have any questions, please feel free to call me in this regard at (916) 732-5191.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jarrod Burch", is written over a light blue horizontal line.
