Re: You Public Records Request dated June 26, 2014

Dear Ms. Goehring:

This letter is in response to your above-referenced Public Records Act request wherein you requested the following:

“All documents, reports, communications and correspondence including emails and references to private meetings from Monterey County Board of Supervisors, Monterey County Staff, Monterey County Counsel, Monterey County Water Resources Agency Board of Directors, Monterey County Water Resources Agency Staff, Monterey County Water Resources Agency Counsel, the Monterey/Santa Cruz Building and Construction Trades Council, Assemblymember Alejo, Senator Cannella, and Senator Monning regarding AB 155 and a Project Labor Agreement for the Interlake Pipeline Project.”

The Agency has gathered the responsive records and County Counsel is in the process of reviewing them. It is anticipated that some records otherwise responsive to your request will be exempt from disclosure under Government Code section 6254(k) [privilege], and possibly other grounds as well.

We will advise you further, no later than August 1, 2014, as to the status of our response.

Sincerely,

Alice Henault
Public Records Coordinator
