Although disputes arising between the Trades Council and/or the Signatory Unions and Contractor(s) / Employer(s) on other projects are not governed by this Agreement, the Trades Council and/or the Signatory Unions may not take any action against Contractor(s) / Employer(s) on District property and/or on a District Project because of a dispute between the Trades Council and/or the Signatory Unions and

Said hearing shall be completed in one session, which, with appropriate recesses at the arbitrator's discretion, shall not exceed twenty-four (24) hours unless otherwise agreed upon by all parties. A failure of any party to attend said hearings shall not delay the hearing of evidence or the issuance of any award by the arbitrator.
4.2.4 The sole issue at the hearing shall be whether or not a violation of Article 4, Section 4.1, of this Agreement has occurred. Written notice of the filing of such enforcement proceedings shall be given to the other party. In the proceeding to obtain a temporary order enforcing the arbitrator’s award as issued under Section 4.2(4) of this Article, all parties waive the right to a hearing and agree that such proceedings may be ex parte. Such agreement does not waive any party’s right to participate in a hearing for a final order or enforcement. The Court’s order or orders enforcing the arbitrator’s award shall be served on all parties by hand or delivered by certified mail.

4.2.6 Any rights created by statute or law governing arbitration proceedings related to the subject matter of this Agreement and which are inconsistent with the above procedure or which interfere with compliance, are waived by the parties.

4.2.7 The fees and expenses of the arbitrator shall be divided equally between the party initiating the hearing and the party alleged to be in violation. The District shall bear no costs related to arbitration.

4.2.8 The parties to this Agreement agree that the labor organizations have not waived their legal rights to undertake otherwise lawful activity with regard to any dispute or disputes which they may have regarding non-District construction work and operations; provided, however, that any such activities by the Signatory Unions shall not disrupt or interfere in any way with any work done at any District site. Should a Signatory Union have a dispute with regard to non-covered work on or adjacent to any District site, the Signatory union will notify the Contra Costa Building and Construction Trades Council and shall not undertake on or adjacent...
to the property, any public activity regarding the dispute.

7.3 All employees working on this Project shall be governed by the applicable Union Security clause of the applicable craft's "Schedule A" Agreement. Employees hired by the Contractor(s) shall, as a condition of employment, be responsible for the payment of the applicable monthly working dues and any associated fees uniformly required for union membership in the local union which is signatory to this Agreement. Further, there is nothing in this Agreement that would prevent non-union employees from joining the local union.

7.4 Authorized representatives of the Signatory Unions shall have access to this Project whenever work covered by this Agreement is being performed on this Project, provided it is not disruptive to the work of this Project or the operation of the District. The District shall only allow access to the site of this Project to person(s) who comply with all the District’s site access procedures and requirements.

Article 8. Referral

8.2 The Contractor(s) shall have the unqualified right to select and hire directly all supervisors above the level of General Foreman it considers necessary and desirable, without such persons being referred by the Signatory Union(s).

8.3 In the event that referral facilities maintained by the Signatory Unions are unable to fill the requisition of a Contractor / Employer for employees within forty-eight (48) hour period (Saturday, Sundays and Holidays excluded) after such requisition is made by the Contractor / Employer, the Contractor / Employer shall be free to obtain work persons from any source.

8.4 The Trades Council and the Signatory Unions will each exert their utmost efforts to recruit sufficient numbers of skilled craft persons to fulfill the requirements of the Contractor / Employers. The parties to this Agreement support the development of increased numbers of skilled construction workers from graduates of District high schools first, residents of the District second, and residents of the East Bay Area third, to meet the needs of this Project and the requirements of the industry generally. Toward that end, the Trades Council and the Signatory Unions agree to encourage the referral and utilization, to the extent permitted by law and the hiring hall procedures, of qualified graduates of District high schools, residents of the District, and East Bay Area residents as journeymen and apprentices on this Project and entrance into such apprenticeship and training programs as may be operated by the Signatory Unions.

8.5 Recognizing the special needs of this Project and the acute shortage of skilled craftsperson, the Trades Council and the Signatory Unions shall consider a Contractor’s request to transfer key employees to work on this Project in a manner consistent with the Signatory Union’s referral procedures.

Article 9. Benefits

9.1 All Contractor / Employers agree to pay contributions to the established vacation, pension and other form of deferred compensation plan, apprenticeship, and health benefit funds for each hour worked on this Project in the amounts designated in the Master Agreement of the applicable craft.

9.2 The Contractor / Employers shall not be required to pay contributions to any other trust funds that are not contained in the published prevailing wage determination to satisfy their obligation under this Article except those Contractor / Employers who are signatory to the Master Agreements with the respective trades shall continue to pay all trust fund contributions as outlined in such Master Agreements.

9.4 Wages, Hours, Terms and Conditions of Employment: The wages, hours and other terms and conditions of employment on this Project shall be governed by the Master Agreement of the respective crafts, copies of which shall be on file with the District and available upon request, to the extent such Master Agreement is not inconsistent with this Agreement. Where a subject is covered by the Master Agreement and not covered by this Agreement, the Master Agreement will prevail. When a subject is covered by both the Master Agreement and this Agreement, to the extent there is any inconsistency, this Agreement will prevail.

Article 10. Compliance

It shall be the responsibility of the Contractor / Employers and Signatory Unions to investigate and monitor compliance with the provisions of this Agreement contained in Article 9. Nothing in this agreement shall be construed to interfere with or supersede the legal remedies available to the Signatory Unions and/or employee benefit Trust Funds to collect delinquent Trust Fund contributions from Contractors / Employers on this Project.

Article 11. Grievance Arbitration Procedure

11.1 The parties understand and agree that in the event any dispute arises out of the meaning, interpretation or application of the provisions of this Agreement, the same shall be settled by means of the procedures set out herein. No grievance shall be recognized unless the grieving party provides notice in writing to the signatory party with whom it has a dispute within five (5) days after becoming aware of the dispute but in no event more than thirty (30) days after it reasonably should have become aware of the event giving rise to the dispute. The time limits in Section 12.1 may be extended by mutual written agreement of the parties.

11.2 Grievances shall be settled according to the following procedures:

11.2.1 Step 1: Within five (5) business days after the receipt of the written notice of the grievance, grievances, grieving party and the signatory party with whom it has a dispute shall confer and attempt to resolve the grievance.

11.2.2 Step 2: In the event that the representatives are unable to resolve the dispute within the five (5) business days after its referral to Step 1, either involved party may submit it within three (3) business days to the Grievance Committee, which shall meet within five (5) business days after such referral (or such longer time as is mutually agreed upon by all representatives on the Grievance Committee), to confer in an attempt to resolve the grievance. The Grievance Committee shall be comprised of:
11.2.2.1 Two (2) representatives of the District;
11.2.2.2 One (1) representative of the Project Manager; and
11.2.2.3 Three (3) representative of the Contra Costa Building & Construction Trades Council.

If the dispute is not resolved within such time (five (5) business days after its referral or such longer time as mutually agreed upon) it may be referred within five (5) business days by either party to Step 3.

11.2.3 Step 3: Within five (5) business days after referral of a dispute to Step 3, the representatives shall choose a mutually agreed upon arbitrator for final and binding arbitration. The parties agree that if the permanent arbitrator or his alternate is not available, an arbitrator shall be selected by the alternate striking method from the list of five (5) below:

The fees and expenses of the arbitrator shall be divided equally between the grieving party and the party(s) with whom it has a dispute. The District shall bear no costs related to grievance arbitration procedures.

11.2.3.3 The Arbitrator shall arrange for a hearing on the earliest available date from the date of his/her selection. A decision shall be given to the parties within five (5) calendar days after completion of the hearing unless such time is extended by mutual agreement. A written opinion shall be provided by the presiding Arbitrator.

11.2.3.4 The time limits specified in any step of the Grievance Procedure set forth in Section 12.2 may be extended by mutual agreement of the parties initiated by the written request of one party to the other, at the appropriate step of the Grievance Procedure. However, failure to process a grievance, or failure to respond in writing within the time limits provided above, without an agreed upon extension of time, shall be deemed a waiver of such grievance without prejudice, or without precedent to the processing of and/or resolution of like or similar grievances or disputes.

11.2.3.5 In order to encourage the resolution of disputes and grievances at Steps 1 and 2 of this Grievance Procedure, the parties agree that such
settlements shall not be precedent setting.

Article 12. Jurisdictional Disputes

12.1 The assignment of work will be solely the responsibility of the Employer performing the work involved; and such work assignments will be in accordance with the Plan for the Settlement of Jurisdictional Disputes in the Construction Industry (the “Plan”) or any successor Plan, or where a local or regional written agreement exists as to jurisdictional assignments, pursuant to such local or regional agreement.

In any event, the parties hereto agree that there will be no slowdown or stoppage of work, no picketing or other interferences pending final resolution of the dispute and the work shall continue during this period as originally assigned by the Contractor/Employer.

12.4 If any Union or Contractor/Employer fails to immediately and fully comply with a final decision rendered in any jurisdictional dispute, the Contractor/Employer or the Union shall have the immediate right to seek full legal redress for such conduct including, but not limited to, injunctive relief and/or damages.

The time limits in this section may be extended by mutual written agreement of the affected Contractor/Employer and the affected crafts.

Article 13. Apprentices

Article 15. Management Rights

15.1 The Contractor / Employer(s) shall retain full and exclusive authority for the management of their operations, including the right to direct their work force in their sole discretion. No rules, customs or practices shall be permitted or observed which limit or restrict production, or limit or restrict the working efforts of employees except that lawful manning provisions in the applicable Master Agreement shall be recognized.

15.2 Except as allowable pursuant to Section 3400 of the Public Contract Code, there shall be no limitation or restriction upon the choice of materials or upon the full use and installation of equipment, machinery, package units, factory pre-cast prefabricated or preassembled materials, tools or other labor saving devices. Lawful fabrication provisions of the applicable national or local collective bargaining agreement(s) shall be applicable.
Article 16.  Savings Clause

16.1 The parties agree that in the event any article, provision, clause, sentence or word of this Agreement is determined to be illegal or void as being in contravention of any applicable law, by a court of competent jurisdiction, the remainder of this Agreement shall remain in full force and effect. The parties further agree that if any article, provision, clause, sentence or word of this Agreement is determined to be illegal or void, by a court of competent jurisdiction, the parties shall substitute, by mutual agreement, in its place and stead, an article, provision, clause, sentence or work which will meet the objections to its validity and which will be in accordance with the intent and purpose of the article, provision, clause, sentence or work in question.

16.2 The parties also agree that in the event that a decision of a court of competent jurisdiction materially alters the terms of this Agreement such that the intent of the parties is defeated, then the entire Agreement shall be null and void.

16.3 If a court of competent jurisdiction determines the all or part of this Agreement is invalid and/or enjoins the District from complying with all or part of its provisions and the District accordingly determines that this Agreement will not be required as part of an award to a Contractor / Employer, the Trades Council and the Signatory Union(s) will no longer be bound by the provisions of Article 4.

Article 17.
